Site Survey (UNCLASSIFIED)

CLASSIFICATION: UNCLASSIFIED

All, the site survey related to the DHS/DHHS operation on Fort Bliss is scheduled to kick off in room 2027 of the 1AD HQs with a meet and greet, installation orientation, site orientation and initial RFIs. Once all is complete, DPTMS will provide transportation to the site for a terrain walk. Goal is to be back and complete in time for early afternoon departures for those of you flying out Friday afternoon. If you have RFIs special requirements, or anything else you think I need to be aware of to ensure the survey is a success, please let me know.

I know the survey is tentative at this time due to concerns with funding related actions prior to publishing of the EXORD, but expect that to be resolved tomorrow sometime. Till we get further guidance, we will continue to plan to execute Friday morning.
